Australian Lymphoedema Education Research and Treatment Program

2024 ALERT TRAINING PROGRAMS - New Zealand

Lymphoedema Accreditation Training Program

Our ALERT Lymphoedema accreditation training includes a mixed-methods approach of lymphoedema education incorporating:

Foundation units

- Principles of Lymphoedema Management
- Contemporary Evidence in Lymphoedema Management

(The two foundational units are delivered via online interactive learning)

Regional units

- Lymphoedema Practice for the Upper Limb & Breast - 11-12 June 2024
- Lymphoedema Practice for the Lower Limb & Genital Region - 13-14 June 2024
- Lymphoedema Practice for the Head and Neck Region - 13-14 June 2024

(Students can select the regional unit/s in line with their scope of practice to complete accreditation).

Lymphoedema Practice for the Head and Neck Region

Accredited Lymphoedema Practitioners can complete this as a standalone unit.

Face-to-face practical learning and assessment - 13-14 June 2024

Location Four Points by Sheraton, Auckland
